Principal Message

This monthly college magazine 'The Inspiration' of Government Degree College, Mydukur covers all the curricular and extracurricular activities undertaken by the college during the month of May, 2026. I am very happy to be associated with the college magazine and making it informative both for the college students and staff. We are trying very hard to carry out more Academic and Non - Academic activities in coming months with proper planning to enrich students' knowledge and their exposure to the community related activities.
